

Mr John Bouchard

“Be interesting”

This is my 15th year teaching at Comanche Middle School. I am currently teaching 6th grade Connect. I taught 5th grade at Comanche for 8 years before becoming a Connect teacher. I hold a Bachelor’s Degree from Bemidji State University and a Master’s from Fort Hays State.

I was born in Minnesota, but I grew up in Canada. I am a “dual citizen”, as I possess both Canadian and American citizenship. I have been happily married for 24 years and I have a 12 year old daughter. My hobbies are playing with technology, drums, guitar, writing, and hockey.
