

Billie Jo Wing

This is my sixth year teaching at Comanche Middle School. Before coming to CMS, I taught at Dodge City Middle School and Jewell High School. I am originally from Salina, Kansas and graduated from Fort Hays State University with a BA in English and an MS in Education. When I am not teaching, I am usually reading or watching movies. My favorite YA books are Scott Westerfeld's *Leviathan* and *Uglies* series. I also enjoy barbequing and baking, and I have a collection of over 600 cookie cutters—in almost any shape you can imagine. My goal is to inspire my students to love reading and to help them develop the communication skills they will need to be successful in life.
