Personal

My name is Melissa Miller. I have been married to my husband Mike since 1995. We have two sons, Jackson 18, and Clifton 16. I teach Physical Education at Comanche Middle School. A new addition to our family is a silver lab named Judy. When I'm not at school and during the summers, my family and I enjoy golfing, hunting and fishing. Often times, I spend my evenings and weekends watching my sons participate in sports.
