

I'm Sarah Samuelson and I teach 8th grade Life Science. I am the sponsor for the

Honor Society as well as the Head Coach for Quiz Bowl here at Comanche Middle School. This is the start of my sixth year of teaching and all of them have been here in Dodge City. I was honored to be one of the 2014 Horizon Award recipients for an exemplar first year of teaching. I am a third generation educator and a 2012 graduate of Emporia State University. In May 2017 I graduated with a master's degree in education from Newman University. When I was a child my family spent

four years in Central America in the country of Panama serving as missionaries. My hometown of Burlington, KS is 300 miles or 5 hours from Dodge City. Over the summer my brother Sam and I traveled to California. So many cool and exciting stories from that trip! But now I am back in Dodge City and ready of another great year at Comanche. LET'S GO COYOTES!
