

Jennifer Heiland

Jennifer has been teaching 6th grade for nine years. Of those nine years, she has been employed at Comanche Middle School.

She received her Bachelor of Science from Newman University in 2008. She continued her education and received her Master of Science in Education from Newman University as well. She has also received her certification in ESL.

Jennifer is the mother of three grown children and two dogs! Some of her favorite pastimes are eating, reading, listening to music, binge watching television shows, and traveling!
